ANALYSIS LOST PRODUCTIONS www.analysislost.com Creative Director, April 2003 -

I founded Analysis Lost Productions Ltd. in 2003 as a means of generating interest and funding for my own scripts and projects. The company has evolved into a dynamic collective of individuals and an incubator unit of great promise. We have a number of scripts and a slate of diverse projects at various stages of development. Further to our independent endeavours, a sister company has been established in **Those Media Guys Ltd.** (officially incorporated March 2005), offering bespoke video production, post-production and animation services to a clientele that has included Warner Brothers, The Edinburgh Fringe and the National Galleries of Scotland.
