

## Will Eavesdrops on Philly Air Waves

Following

on from the successful &lsquo;What&rsquo;s Up Philly&rsquo; article in Straight no Chaser, which sold by the crate load in Philly, Will was invited onto

the Eavesdrop Radio on WKDU FM on 7 July 2006. Will joined Junior from Recordbreakin&rsquo; and Lil&rsquo; Dave from Ill Vibe

in session and played a 30 minute set which we&rsquo;ve made available for

you here. Will also discussed developments since the article, including

King Britt&rsquo;s new SYLK130 night the World Café and also gave a sneak preview to the opening track of the next eagerly awaited mix project.
