

Black Lily Film & Music Festival May 4-6 2007

Will's been working with Mercedes Martinez of the Jazzyfatnastees, and filmmaker and festival creator Maori Karmael Holmes, , to help promote the long awaited return of the Black Lily at the World Café Live on the 4th and 6th of May. This important showcase for women artists will feature the original Lily house band, The Roots and break-out artists Toshi Reagon and Malene Younglao. Check his exclusive article in the most recent issue of Straight no Chaser and watch the excellent 'History of the Black Lilly' documentary video: www.blacklilyfilm.org
